INFORMATION DISCLOSURE STATEMENT RESUBMISSION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir or Madam:

On February 6, 2007, Applicant submitted an IDS having two patents/publications: US Patent Number 5,272,000, issued on December 21, 1993 and Canadian Publication No. 2459341, published on March 20, 2003, which were received during Canadian prosecution. The references are indicated in the file history within PAIR, however the notice of allowance indicates non-conformity in the aforementioned IDS. Although the Examiner may have previously reviewed these references, the IDS is resubmitted herewith to correct any perceived nonconformance. Applicant believes the allowed claims are allowable over the art being provided.

DATED: October 10, 2007

Respectfully submitted,

MIDDLETON REUTLINGER
